National Semi Finalists
So proud of the boys that took part in the National under 11’s football finals in Reading this week. To be semi finalists is a great achievement. Thank you to everyone for supporting them and making the day so memorable. Well done to George, Matthew, Louis, Anton, Ryan, Tommy and Tom. A real credit to the school. #makingmemories

Training Day
We are closed on Monday for a joint Teacher Training day. We will be hosting visitors from 3 other schools; Lyndon Green Infants, Mapledene Primary and Stanville Primary. We all share a common interest, Cornerstones Curriculum. We will be carrying out training on the new curriculum and getting ourselves ready for September.

Assembly
A huge well done to Class 5E for allowing us all to share in their learning. For everyone present, I am sure you will agree it was a real pleasure. They demonstrated their learning in such a brilliant, confident way. That draws the Year 5 assemblies to a close and we now move on to Year 3 in the coming months ahead.

Questionnaires
At this moment we have received 164 questionnaires back to school. Thank you. The closing day is today. I will analyse the results, publish them and draw up an action plan for addressing any issues.

Website
If you haven’t had a look for a while, we have moved our website and we have been busy filling it with as much information as we can. You can access it via the link http://lgjs.j2bloggy.com

Another fun filled, busy week in school before next weeks disrupted week. The pictures above are just a sample of images taken from our Twitter site. They show a range of activities as well as the new technology being introduced into school.

Strike Day
You will have seen the letter sent out on Wednesday of this week which stated that school will be closed to pupils on Wednesday 26th March due to planned industrial action by members of the NUT. I would like to apologise for any inconvenience this may cause especially as it also clashes with a TT day.
